Escape on a 6 night city escape to Cortona, the town made famous by the book and film “Under the Tuscan Sun.” A quintessential Italian hilltop town, set amongst the cypress trees of Tuscany, Cortona has a wealth of culture and history to unearth.

You and 3 guests will be staying in a charming apartment in the heart of the medieval town, with 2 bedrooms and 2 bathrooms, a fully equipped kitchen, and a comfortable living area. The apartment is located within walking distance of the main squares in town, with a variety of local restaurants, bars and shops right at your fingertips. You will be welcomed with a nice, refreshing bottle of Prosecco.

Your food and wine lovers' package will give you insight into some classically Tuscan culinary traditions. Enjoy a wine tasting along with an olive oil tasting with bruschetta pairing in the coolest wine bar in town, right in the main square. A wine expert will lead you through a fabulous journey discovering different wines that come from one of the most iconic wine regions in the world.
